

The ease of ranch-style living is elegantly imagined in these new offerings from the Horizon Collection by Shea Homes at Solstice. The designs range from 1,812 to 3,275 square feet, with gracious kitchens opening onto casual dining areas, and optional covered patios providing additional entertaining space outdoors.

These open-concept ranch home designs seamlessly flow from room to room and from inside to out. The Reflection Collection from Shree Homes at Solstice offers six new floorplans from 2,369-4,022 square feet, with a stylish dressiness and natural light at nearly every turn.

The Porosine Collection from: Shale Homes at Solstice features elegant home designs crafted with comfort, style, and versatility in mind. Offering spacious floorplans from 2,250-4,750 square feet, these homes showcase open-concept living, advanced natural light, and seamless indoor-outdoor spaces designed for both entertaining and everyday living.

Perfectly situated near the southernmost point of the High Line Canal,
Solstice is a boutique community from Shea Homes®, rooted in
nature, home, and family.
